Welcome to the Mason County Livestock Show & Expo!

As President of the Mason County Livestock Show & Expo, it is my privilege to welcome you to this year's show. I look forward with great appreciation to this year's show and sale. Thank you to the show board of directors, leaders, families and especially the buyers and contributors that have supported our show for many years. What a great showing of support for our youth and future community leaders.

I am continually impressed, year after year, with the quality of the projects and most importantly our kids. However, times and trends do change, and we as an association continue to change while trying to keep the fundamental goals in place. We are excited to bring new elements and new kids to our show. A lot of effort and energy has been spent trying to ensure that we keep agriculture education a priority with our show. What our young exhibitors are learning today, through participating in our show, will impact the future generations. Keep up the good work!

Thanks again to all the volunteers, board members, premium buyers, award donors and participants. We can accomplish great things when we all work toward a common goal.

Please join me in celebrating our ag youth at the show.

Sincerely,

Cody Hatfield
President
